

FCTUC Petroula Tsimpini, 2024251081, Game Design Design de Jogos – Assignment

This document presents a sound design proposal for the given game scenario. The approach focuses on utilizing different sound layers and design patterns to enhance the atmosphere and player engagement.

SOUND DESIGN TABLE OF THE LARA'S EXAMPLE

start at	entry mode	dur	exit mode	layer	design patterns	source name - explain your design intention or pattern choice
0	low	4	fade	Ambience	Ambience, Bankground tension, Peaceful energy, creating atmosphere	Lara enters the stone temple, we can hear distant wind, dripping water, sounds of birds
4	suden	2	suden	foley	Foley, interaction with things	Lara is brushing the plants hanging aside of the temple
6	raising	3	fade	foley	Foley, realism of the movement	We can hear Lara's footsteps on the stone accompanied by some small crunchy sounds because of the uneven ground
9	suden	2	suden	Sound effects	Interactive details	The sound of the scratch of the wall and the slow fall of the sand and dust
11	suden	2	suden	Sound effects	Effect of creatures	Then suddenly bugs appear and we can hear sounds of clicking and skittering get louder
13	suden	3	fade	foley	Interaction event, Increased tension	We can hear Lara's hand entering the hole and the stone lever struggles, making a scraping sound
16	suden	4	fade	Sound effects	Activation of the process	The hidden door makes the sound of a grinding stone as it slightly slides open
20	raising	4	fade	ambience	Changes in the environment	There is a loud whoosh and a bright chime as the room fills with light, exposing reverberations and echoes
24	raising	6	fade	music	Suspense, transition to discovery	An orchestra's low tones create tension
30	suden	1	suden	Sound effects	Focus on the big reveal	The sound of a mechanical click as the door locks
31	suden	5	fade	foley	Exploration	Scale is indicated by the echo of Lara's footsteps in the room
36	raising	5	fade	ambience	Mystery	A low, distant hum that suggests a mystical presence
41	suden	3	fade	Sound effects	Object emphasis	As it appears, a box creaks to draw attention
44	suden	5	suden	Dialogue	Mysterious voice in the background	Suspenseful tension was created when the words "thank you" were heard from behind
49	raising	6	fade	music	Emotional shift	Music swells as realization and fear set in
55	suden	5	fade	ambience	Final atmospheric touch	As the scene settles, distant echoes and wind fade away
